HIGH SCHOOL ITALY TRIP

ITINERARY OF CULTURAL ACTIVITIES AND EXCURSIONS

TODI 2024
MARCH 17–23
PROGRAM

SUNDAY, MARCH 17

2:30 - 3:00: Arrival in Todi and check-in
3:30 - 5:30: Todi Guided Tour
5:30 - 7:30: Free Time
   8:00: Dinner at Monastero

Spend the day getting to know Todi, a hidden gem in the Umbrian countryside, with its narrow streets, panoramic views and friendly locals.

Todi was one of the towns in contact with the Etruscan civilization that flourished on the right bank of the Tiber River, and it was a thriving center in the 5th-4th centuries BC.
We will tour the beautiful Umbrian city of Orvieto including its underground world and labyrinth of grottos created by its ancient inhabitants over the span of 2500 years.
Located inside the Tiber River Park between Todi, Montecastello di Vibio and Montemolino, the Poggio Brico organic farm combines the best of conventional and organic farming to produce fruits, vegetables, and grains. We will tour the working farm, learn about local agriculture, and experience the farm’s natural surroundings.

12:30 - 2:00: Lunch Break
2:30 - 6:30: Day Trip to Spoleto
  8:00: Dinner at Monastero

Tour of Spoleto including the Albornoz Fortress which overlooks a large part of the valley of Spoleto. Pope Innocent VI ordered the building of the fortress to restore the authority of the Church over the area. Extensive restorations of the fortress brought to light numerous painted decorations dating from the fourteenth to the eighteenth centuries.
PROGRAM
FRIDAY, MARCH 22
8:00 - 8:45: Breakfast
9:00 - 12:00: Visit to Carsulae
12:30 - 2:00: Lunch break
2:30 - 6:30: Visit to Cascate delle Marmore
8:00: Dinner at Monastero

Carsulae was an ancient Roman city located along the future Via Flaminia, in Umbria, on the border between the municipal territories of Interamna Nahars and Casventum. Already abandoned in ancient times following serious landslides, it is still partly buried under soil.

Cascata delle Marmore is the highest waterfall in Europe created by the Romans in 271 B.C.
